NAAC

VISION

To make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives.

MISSION

- *~* To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects;
- *~* To stimulate the academic environment for promotion of quality of teaching-learning and research in higher education institutions;
- *≪ To encourage self-evaluation, accountability, autonomy and innovations in higher education;*
- *≪* To undertake quality-related research studies, consultancy and training programmes, and
- *~ To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.*

Value Framework

To promote the following core values among the HEIs of the country:

- > Contributing to National Development
- Fostering Global Competencies among Students
- Inculcating a Value System among Students
- Promoting the Use of Technology
- > Quest for Excellence

Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions

Introduction

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, institutions need to channelize its efforts and measures towards promoting the holistic academic excellence including the peer committee recommendations.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives.

Its success depends upon the sense of belongingness and participation in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

IQAC – Vision

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies

IQAC shall evolve mechanisms and procedures for

a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;

- b) Relevant and quality academic/ research programmes;
- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of assessment and evaluation process;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks
- b) Parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- d) Collection and analysis of feedback from all stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters to all stakeholders;
- e) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- f) Documentation of the various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i) Periodical conduct of Academic and Administrative Audit and its follow-up
- j) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

Benefits

IQAC will facilitate / contribute to

- a) Ensure clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- b) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- c) Provide a sound basis for decision-making to improve institutional functioning;
- d) Act as a dynamic system for quality changes in HEIs;
- e) Build an organised methodology of documentation and internal communication.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

- 1. Chairperson: Head of the Institution
- 2. Teachers to represent all level (Three to eight)
- 3. One member from the Management
- 4. Few Senior administrative officers
- 5. One nominee each from local society, Students and Alumni
- 6. One nominee each from Employers /Industrialists/Stakeholders
- 7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution, accordingly the representation of teachers may vary. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- It is advisable to change the co-ordinator after two to three years to bring new thoughts and activities in the institution.
- It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer centre, estate, student welfare, administration, academic tasks, examination and planning and development.
- The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.

The role of the Coordinator

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior/competent person with experience and

exposure in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is essential that the coordinator may have sound knowledge about the computer, data management and its various functions such as usage for effective communication.

Operational Features of the IQAC

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for "education" is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The institutions need to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC by end of September every year positively. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well as quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Report (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Syndicate, Governing Council/Executive Council/Board of Management) for the follow up action for necessary quality enhancement measures.

The IQACs may create its exclusive window tab on its institutional website for keeping the records/files of NAAC, Peer Team Reports, AQAR, and Certificate of Accreditation Outcomes and regularly upload/ report on its activities, as well as for hosting the AQAR.

Revised Accreditation Framework

NAAC has launched Revised Accreditation Framework since July, 2017 and hence AQAR format also modified, in cognizance with the new methodology. The tools and parameters are designed in the new AQAR format are in such a way that the preparation of AQAR would facilitate the HEI's for upcoming cycles of Accreditation. Data collected/prepared infuses quality enhancement measures undertaken during the years. Further, it also adds quality enhancement and quality sustenance measures undertaken in teaching, learning, research, extension and support activities of the Institution. It is hoped that new AQAR would facilitate

Educational Institutions for creating a good database at Institutional level for enhancing the quality culture.

As per the Revised Accreditation Framework (RAF), the NAAC Accredited institutions need to submit the AQAR online. NAAC is in the process of ICT integration in Assessment and Accreditation. The login id for the online submission for AQAR submission will be the e-mail id used for the IIQA. The AQAR submission is part of the post accreditation module, in due course of time. NAAC portal will have the facility to submit the AQAR online and Institutions will receive automated response. AQAR of the preceding year be submitted to the NAAC within six months i.e. the institutions should submit the AQAR before 31st December of every year.

The Higher Education Institutions need not submit the printed/hard copy of AQAR to NAAC.

Mandatory Submission of AQAR by IQAC

The Executive Committee of NAAC has decided that regular submission of AQARs is mandatory for 2nd and subsequent cycles of accreditation with effect from 16th September 2016:

The following are the pre-requisites for submission of IIQA for all Higher Education Institutions (HEIs) opting for 2nd and subsequent cycles of A& A:

- Having a functional IQAC.
- The minutes of IQAC meeting and compliance to the decisions should be uploaded on the institutional website.
- Mandatory submission of AQARs on a regular basis for institutions undergoing the second and subsequent cycles of Assessment and Accreditation by NAAC.
- Upload the AQAR's on institutional website for access to all stakeholders.

Note: The terms and abbreviation used in AQAR are in accordance with respective manuals for assessment of NAAC. Please refer institutional manual for glossary and abbreviations terms used in AQAR.

The Annual Quality Assurance Report (AQAR) of the IQAC (For Autonomous Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, July 1, 2018 to June 30, 2019)*

<u>Part – A</u>

Data of the Institution

(data may be captured from IIQA)	
1. Name of the Institution	Ambah Post Graduate Autonomous College
• Name of the Head of the institution :	Dr. Shivraj Singh Tomar
• Designation:	Principal
• Does the institution function from own	n campus: Yes
• Phone no./Alternate phone no.	07538-275635
• Mobile no.	9754540782
• Registered Email:	principal.pgc.ambah@gmail.com
• Alternate Email:	shivrajtomar 2017@gmail.com
• Address :	Opposite Tehsil, Morena Road
• City/Town :	Ambah (Morena)
• State/UT :	Madhya Pradesh
• Pin Code :	476111
2. Institutional status:	
 Autonomous Status (<i>provide the date</i> Yes - 15/08/1988 	of Conformant of Autonomous Status):
 Type of Institution: Co-education/Mer 	n/Women - Co-education
• Location : Rural/Semi-urban/Urban:	Urban
• Financial Status: Grants-in aid/ UGC	2f and 12 (B)/ Self financing
(please specify) -	Grants -in aid college and recognized under 2 f and 12 (B) by UGC - 08/08/1988
• Name of the IQAC Co-ordinator/Direct	ctor: Dr. Vivek Kumar Jain

• Phone no. /Alternate phone no. :	07538-275635
• Mobile:	9977986444
• IQAC e-mail address:	principal.pgc.ambah@gmail.com

8. Provide the list of Special Status conferred by Central/ State Government-	-NA-
UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.	
9. Whether composition of IQAC as per latest NAAC guidelines: Yes/No:	YES
*upload latest notification of formation of IQAC	
10. No. of IQAC meetings held during the year:	03
The minutes of IQAC meeting and compliance to the decisions have been uploa	ided on the
institutional website Yes/No:	NO

(Please upload, minutes of meetings and action taken report)

11. Whether IQAC received funding from any of the funding agency to support its activities during the year? Yes No ✓

If yes, mention the amount: Year:

12. Significant contributions made by IQAC during the current year (maximum five bullets)

*Feedback collected from students and visitor during the session

- *Continuance of Research Journals from the department of Geography
- *Various cultural, Literary and scientific activates were conducted under the

directives of IQAC

- *Minimizing environmental degradation and promotion of pollution free atmosphere
- *Organize the guest lecture series in PG Department
- **13.** Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
1. Academic Audit of the	Academic audit was done by the principal with the
Department	help of IQAC and self appraisal report was collected
	from the staff and the teachers.
2. Digitization	a. E-file system to promote paperless office.
	b. Online fee payment
	c. Online admission
3. Minimizing environmental	a. Decreased use of paper and plastic
degradation	b. Tree plantation
	c. Optimization of existing
4. Development Programmes	a. Organize two days National workshops on 09-10
	September 2018.
	b.Organized Guest lecture series in P.G. Departments.
5.Fulfilling social services	a. Coaching classes for weaker students.
	b. Social awareness really by NCC ,NSS and
	Red cross.
	c. Voter Awareness rally

14. Whether the AQAR was placed before statutory boo	dy? Yes /No: Yes
Name of the Statutory body : Management D	ate of meeting(s):
15. Whether NAAC/or any other accredited body(s) vis	ited IQAC or interacted with it to
assess the functioning? Yes/No: No	
16. Whether institutional data submitted to AISHE: Y	es/No: Yes
Year: 2019	Date of Submission: 05 Feb. 2019

- 4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities laboratory, library, sports complex, computers, classrooms etc.
 - 1. Since its inception, the college is delivering for what it is meant and providing shelter to scores of teachers and thousands of students in the town and the surrounding areas, the college has become a knowledge tree. The value added programs and courses like computer application and competitive preparation work have been initiated for skill development and employability. Throughout its autonomy tenure, the college tried its best to maintain transparency in all affairs even in relation to examination work. The college library has a collection of more than 46254 books. The college lands latest editions and titles of books on the recommendation of the departmental heads. Research journals, popular magazines and news papers are also subscribed to help students preparing for various competitions. Library is also equipped with ICT facilities along with INF LIB NET software. To use all such facilities a spacious reading room is also available for the students and staff. The college has established a network resource centre having a server of its own. Externally almost all the departments are interring connected through LAN using BSNL connectivity so that flow of information could be made easy. At present, the college has more than 120 computers and a well furnished computer centre. All the sports facilities that exist in the college are available to them and sport event are arranged according to sport-calendar of university. Enough infrastructures are available for organizing sport, scientific and cultural events. Cultural activities are also arranged by the college. Under "YUVA UTSAV" by the calendar provided by university. Fire fighting equipment like gas cylinders (fire distinguishers) are installed in each lab and the departments. Well secured premises equipped with CCTV ensure safety and security to girls students, class-room teaching and discipline of

students an	re monitored by CCTV as all th	ne classroom are connect	ed with CCTV.

6.1 Institutional Visior	and Leadership		
6.1 Institutional Vision 6.1.1 Mention two pract	•	ive management	during the last year.

faculty in particular. They try to inculcate in them a feeling of equality and fair treatment. In short, a democratic approach is maintained in all matters of unusual dealing.

6.1.2 Does the institution have a Management Information System (MIS)? Yes/No/Partial:

Y es/N	o/Partial:
.2 Str	rategy Development and Deployment
	Quality improvement strategies adopted by the institution for each of the following
*	Curriculum Development
	During last five years, the curriculum has been made more practicable by adding project work and
	internship to its contents. The students of the final year, both in UG and PG, were made to opt for this
	exercise and students gained practical experience of teaching, facing problems and getting them
	resolved. Students were made more aware of the fact that the future laid in appropriate use of modern
	technology and with the same faculty members used SMART BOARD teaching, OHP for delivering
	their lectures. PG students of all the departments are also prepared themselves to represent the class-
	room seminars with these learning things.
*	Teaching and Learning
	The entire teaching programme of the session is planned on the basis of academic calendar of the
	college provided in the prospectus, which designed taking into account the calendar provided by the
	Higher Education Department of the State Government. Teachers are encouraged to use modern
	teaching aids in delivering their classroom instruction. Almost all the PG classes are equipped with
	smart / interactive boards and LCD projectors alone with computers with internet connections to make
	etching more lucrative. The faculty continuously updates through the literature, books/ journals,
	newspapers and with the use of network etc to keep pace with the modern trends and to deliver it to its
	students. Guest lecture series for P.G. departments and specially for the UG students of English.
*	Examination and Evaluation The Examination system has been made more transported. Provision has been introduced that a student
	The Examination system has been made more transparent. Provision has been introduced that a student if he/she desires so, can view his / her valued answer book. To assist the students how they should
	prepare for their examinations, question bank was published covering the entire syllabus meant for
	them separately. Parents of those students who performed poorly in their exams were continuously
	informed during the year and suggesting them how their wards could make-up themselves. Students are
	monitored through their per-romance in CCE, practical session, class assignments, project work and
	other extra-curricular activities.
*	Research and Development
	Faculty members of all departments were encouraged to participate in conferences, seminar and
	workshops. The result was visible when some of the faculty members of the college from different
	departments participated in the seminars and conferences .The main and ultimate task of the institution
	of higher learning is to contribute in the research. To monitor research activities, research committee
	has been instituted, which works for providing necessary assistance to researchers and to collect
	feedback to determine needs and requirements in the context of the changing times. On the
	recommendation of the research committee, almost all members of the faculty were provided with
	Computer/ Laptop that they used to enhance their research endeavours. In this year college organized
	two days national workshop in Research Mythology on $09^{th} - 10^{th}$ September 2018.
*	Library, ICT and Physical Infrastructure / Instrumentation
	The central library has 42315 books, reference books and average ratio of the books and the students
	has been enhanced to 33:1. The library was equipped with computers, internet connection and
	INFLIBNET facility by installing SOUL 2 Software. Research journals, popular magazines and
	newspapers are also subscribed to help students preparing for various competitions. To use all such
	facilities specious readies to use all such facilities a specious reading room is also available for the
	students used staff.

Amb focu selec	Industry Interaction / Collaboration Ambah is a town place in semi urban area. The main occupation of that area is farming and their main focus to join army service and police service. Although institution approaches them regularly in the selection of right direction. Institution arranges the job oriented programme regularly for their students such as career councelling programme. You udversi training programme and to provide the change to							
join	as career counselling programme, Yuva udyami training programme and to provide the chance to the industry. A placement cell is also working for the same in the institution and with chemistry artment, a no. of science students are regularly placed in pharma company under placement cell.

6.4 Financial Management and Resource Mobilization

6.4.1 Institution conducts internal and external financial audits regularly -

The college has provision for both the internal audit as well as external audit. The principal forms separate committees for the departments for their annual audit and they submit their findings to the principal before the session concludes. Finally external audit is done by local audit fund with the help by a registered practices C.A.

6.4.2 Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

2	/	
Name of the non government	Funds/ Grants	Purpose
funding agencies/ individuals	received in	
	Rs.	
1. Managements	5234213/=	Salaries for non-grantee teaching & non-teaching staff.
 Individuals (Lt. Shri Narayan kumar Agrawal) 	75000/=	Arrange the fees for economically backward students.
3. MP/MLA Fund	2211000/=	Infrastructure development.
6.4.2 Total corpus fund generated	7520213/=	

6.5 Internal Quality Assurance System

6.5.1 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal

6.5.2 Activities and support from the Parent – Teacher Association (at least three)

* Parent-teacher Association through its annual meet provides an opportunity to the parents and guardians to come close to the teachers of their wards and better understand their progress.

*Through them, we come to know of the institution weaknesses.

*Dr. D. Rawat is the adviser of parent-teacher association.

6.5.3 Development programmes for support staff (at least three)

* ICT Basic programmes are organized.

*They are involved in Renovation of Campus programme.

*They are encouraged to become conversant with modern techniques and their uses.

*All the financial transitions in the college are being done by cashless for digital mode.

6.5.4 Post Accreditation initiative(s) (mention at least three)

*Staff members are motivated to attuned seminar, workshop and orientation programme for their academic development.

*To use modern technology in teaching.

*To publish their research paper in UGC recognized journal and college also providing facilities for this.

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust

Provide the web link of the institution in not more than 500 words-

The mission of our institution is to deliver quality education and hence, all of us are whole-heartedly devoted to this. We ensure regular classes; substitute teaching to cause least loss to the students and completion of the entire course. Free and fair treatment is ensured to all the students irrespective of their class, creed and sex. They feel free in consulting their difficulties with their teachers. The best of efforts are put in to make them self-confident, reliant and good performer. Opportunities of exposure are provided to them through various programmes/platforms. Additional reading material is made available to the advanced learners. We encourage achievers by making their names appearing on the notice board, thus encouraging others. The college tries to generate in them a feeling of competitiveness so that they can put in their efforts in right directions.

At PG level through various departmental societies of our college is making efforts to develop the moral values, communication skills and general awareness among the students.

Our college is one of the college in the Chambal region who adopted dress-code for their students since lat years, which help us to maintain discipline and feel to our students as familiar. The college keeps in view the fact that the college is meant for preparing qualified, well trained and skilled citizens and hence, it provides its students necessary assistance so that they can play their roles in a positive way. They are acquainted with all the necessary processes that have much significance in the global perspective. Therefore, the college has assessed its role to function as a catalyst helping its pupils to polish themselves.
